

Mail Delivery & Shipping

Our regular method of delivery is via the United States Postal Service.

If for some reason you are unable to wait for regular mail delivery and prefer faster shipping, we offer two alternatives at your expense.

FedEx – Two day or next day delivery at a very discounted rate, usually under \$10.00

Blue Sky – Same day delivery, usually under \$15.00

Ride Share Services

In the event a ride is needed, and you are unable to take the bus, we can arrange a ride through UBER at your expense.
