

Instacart Grocery Delivery

In the event groceries are needed and you are unable to get to the grocery store, we offer grocery delivery **at your expense** through Instacart. Instacart has several stores to choose from in the Memphis area. We will bill the charges against your available funds on your account.

If you don't have funds available, we are unable to make any purchases on your behalf.

Amazon Delivery

In the event items need to be purchased over \$200, we will order those items through Amazon and have them delivered to your door **at your expense**. This way we have a receipt, and you have your desired items. The items will be charged against your available account balance. In the event you don't have any funds available, we are unable to make any purchases.
